From Heaven let our freedom flow  
Favor Mercy and kindness show  
Ample life years, ample living  
With God's helpful blessing glow.

Generations well and strong  
Generations that belong  
To God's Mitzvot and the Torah  
Engaging in them all life long.

Teachers, Rabbis, Havurot  
Learning Torah - polyglot  
Heads of Yeshivot, magistrates  
And their students, all Torah gates.

Everyone who spends their time  
Even studying just one line  
May God's blessings fill their life  
And save them all from war and strife.
